CHRIST PRESBYTERIAN ACADEMY

College Admission Profile 2010-2011

Richard B. Anderson, Headmaster
 Nathaniel H. Morrow, High School Principal

Founded in 1985, Christ Presbyterian Academy is a parochial, coeducational college preparatory school for students in grades Preschool-12. With a diversity of both academic abilities and socioeconomic backgrounds, the school emphasizes small classes, close student-faculty relations, and a commitment to help students develop academic and personal skills in a supportive Christian environment. The Academy is a ministry of Christ Presbyterian Church (PCA). Typically 95%-100% of graduates attend four-year colleges and universities. Approximately five percent of the class will choose to defer college admission for a year in order to pursue mission work or alternative learning experiences.

ACADEMIC INFORMATION

CPA offers a college preparatory curriculum on a semester basis. The school day encompasses seven periods, and students are required to take six courses each semester. To receive a diploma, students must complete 24 academic credits, distributed across disciplines as indicated below.

Courses are offered at three levels: College Preparatory, Honors (H), and Advanced Placement (AP). Honors and AP classes are designated on the transcript. Student selection for these courses is based upon successful completion of prerequisite courses, teacher recommendations, overall academic performance and standardized test scores.

All courses receive a letter grade with the exception of Freshmen Bible Intern (FBI), a leadership-development program open to select seniors, and most Independent Studies (IS); students in these courses may receive marks of Pass/Fail.
