## High Hoops Basketball Club

Becoming a member of the High Hoops Basketball Club symbolizes your commitment to the mission and vision of Christ Presbyterian Academy. Your support as alumni, friends, parents and fans enables student-athletes to pursue a valued Christian education while competing in one of the toughest athletic regions in Tennessee.

As a result of contributions from our members, student-athletes have the privilege to compete in an environment that fosters academic, athletic and spiritual development. In addition to making a remarkable difference in the lives of each student athlete, members of High Hoops enjoy certain benefits such as weekly scouting reports, special events and opportunities to connect with others who are passionate about CPA basketball.

## CPA Basketball

The vision of the CPA basketball program is to prepare student athletes to be “Christ Centered—Others Focused” and equip them with skill sets they can carry for a lifetime. CPA is dedicated to training students to be the best basketball players they can be, while providing important life skills steeped in biblical principles. Student-athletes are coached to play like champions on the court and to pursue excellence in every aspect of their lives, beginning in the classroom. The CPA basketball program encompasses both girls’ and boys’ teams from the sixth grade through high school varsity.

## CPA Athletic Foundation

The CPA Athletic Foundation has been established to help fund and enhance CPA athletic programs. Contributions are placed within a pooled reserve account that furthers the Athletics budget by helping with opportunities and unforeseeable needs.
