**QUARTERBACK CLUB**

**CPA**

*The CPA Quarterback Club is a way to connect those who are passionate for CPA football and desire to strengthen CPA athletically, academically, and spiritually.*

# CPA QUARTERBACK CLUB

## CPA Football

To many the game of football is far more than an adolescent athletic experience. For years, this game has turned boys into men, inspired followers to become leaders, and instilled the discipline and drive needed to face life's never ending challenges.

Consider joining the CPA QB Club and help lead the way to future football success!

## CPA Quarterback Club

The CPA Quarterback Club is a way to connect those who are passionate for CPA football and desire to strengthen CPA athletically, academically, and spiritually. Supporting CPA athletics symbolizes your commitment to the mission and vision of Christ Presbyterian Academy.

A minimum financial donation of \$125 to the CPA Athletic Foundation is required to be a member of the Quarterback Club. Not only do members make a remarkable difference in the opportunities afforded to each of our student-athletes, but also their annual giving entitles them to regular reports on the program and special events to help develop the football community.

## CPA Annual Fund

The CPA Annual Fund is an undesignated giving campaign supporting priorities needed beyond tuition. Christ Presbyterian Academy takes seriously the call to educate its students spiritually, mentally, and physically through a Christian world and life view. The CPA Annual Fund provides enhancements to our technology, professional development for teachers, resources for classroom innovation, and improvements to our current facilities and equipment. The CPA Annual Fund is a part of the Academy's overall Giving Program. It is the first and most important gift we ask of every alumnus, parent, grandparent, faculty member, and friend. To make a contribution to the Annual Fund please visit [www.cpalions.org/givingform](http://www.cpalions.org/givingform).

## CPA Athletic Foundation

The CPA Athletic Foundation has been established to help fund and enhance CPA athletic programs. Contributions are given to a pooled reserve account that funds part of the athletic budget, helps with special opportunities, and is available for unforeseeable needs. While the Academy does not employ broad-based solicitations for the Foundation, the Foundation does provide the avenue where supporters can give in addition to the Annual Fund by designating a gift to athletics.

Grant requests can be submitted by head coaches for the purpose of funding special needs.
