

2011 Summer Reading Assignment
6th Grade
Choice Book

Christmas is fast approaching. You pride yourself on being a thoughtful gift-giver. Please choose three major characters from your book. For each character, you will decide on a well thought out gift. You must bring the gifts to class on the first day of school. These gifts can be actual things: a photograph, a drawing, or a computer-generated likeness of the item. On three separate index cards, write your name, the name of your book, and the reason why you are choosing to give this particular gift. Be creative and have fun!
