Choice Book

Create a Time Capsule for your novel. The capsule can be in any type of container—box, basket, bag, etc—and it must be decorated with the title of the novel and the author’s name. The capsule must have at least 15 objects in it that represent something about the novel. Each item must have a typed explanation of why it is significant to the novel. You should tell as much about the novel through your Time Capsule as possible. In your typed explanation paper also include where you would bury the capsule and why.
